

February 2019

The **Washington On Wheels Mobile Health Clinic (WOW)** is a mobile medical unit providing quality health care services for children, adults and seniors for the treatment of acute (sick visit) and chronic illness, including prescriptions to treat high blood pressure, high cholesterol and Diabetes.

This is a **FREE** service to the community.

Our mission is to discover undiagnosed conditions before they become serious and to treat chronic conditions before they turn into life-threatening emergencies.

The schedule is subject to change. For more information on the mobile health clinic or to schedule an appointment, please call **(510) 818-7803**.
