

February 2020

The Washington On Wheels Mobile Health Clinic is a **FREE** service to the community. The mobile clinic provides the following health care services for children, adults and seniors.

Services include:

- Sick Visit
- Physical Exam/ Check Up
- Sports / Basic Physical
- Consultation
- Blood Pressure Screening
- Diabetes Screening
- Prescriptions to treat high blood pressure, high cholesterol and Diabetes

Our mission is to discover undiagnosed conditions before they become serious and to treat chronic conditions before they turn into life-threatening emergencies.
