

DR. JOHN THOMAS MEHIGAN

Bio

Dr. Mehigan was born and raised in Chicago, Illinois and has lived in the San Francisco Bay area since 1967. He completed his undergraduate studies at the University of Notre Dame and earned Doctor of Medicine and Master of Science degrees at the University of Illinois. He completed an internship and residency in general Surgery and fellowships in Vascular Surgery and Tumor Immunology at the University of California in San Francisco. He is a board certified vascular surgeon specializing in minimally invasive interventional procedures.

At Washington Hospital Healthcare System, he holds the positions of Chairman of Surgery, Chief of the Division of Vascular Surgery and Medical Director of the Vascular Center at Washington Hospital. He is a Fellow of The American College of Surgeons, Distinguished Fellow of the Society for Vascular Surgery, a founding member of the Western Vascular Society, and a charter member of The International Society for Vascular Surgery. Additionally, he is Clinical Professor of Surgery at Stanford University Medical Center.

His highly skilled surgical background makes him a sought after provider when it comes to healing chronic wounds. He combines his knowledge in vascular intervention, surgical best practices and advanced wound care to create an individualized plan of care for each of his patients.

Dr. Mehigan is married to Kathleen Podesta Mehigan and has two grown children. He is an avid fly fisherman, hiker, traveler and reader.
